THANK YOU FIELD DAY ADULT VOLUNTEERS! We want to thank those parents who helped with the Field Day activities. They were Terra Parker, Maria Gonzalez, Lisa Igoni, Phillip Blaxton, Laurie and Jeff Jackson, Maggie Flanagan, Jamie Byrd, Amy Ryan, Mia Leoni, Sean Kennedy, Kim and Steve Bello, Mary Prascak, Jennifer Easton, Sydney Ray, Tara Williams, Tony Micheletti, Diana Trouy, Martha Terrell, Rebecca Talarico, Matt Signaigo, Ann Costello, Kara Halley, Caroline Regan and Lynn Bray. The students had a great time competing in the various activities organized by Mrs. Kennedy. We would also like to thank the family that provided the ice cream for all the students. The best part was no one required any major first aid!! :-)

8TH GRADE IN DC THIS WEEK...The eight grade flew to Washington, DC Monday morning. The group left at 5:45, flew to Chicago then

off to Baltimore where they met by their group leader. They will be touring and visiting the White House, Washington Monument, Holocaust Museum, Mt. Vernon, Ford's Theater, the Basilica of the Immaculate Conception. They will

make stops at the World War II, Vietnam and Korean Memorials and Smithsonian museums and all the sights.

When they visit Arlington Cemetery, they will place a wreath on the Tomb

of the Unknown Soldier and watch the changing of the guard.

This and That

LAST CALL FOR LOST AND FOUND...All items in the Lost and Found container in the gym will be collected this Friday, May 20th. Any unclaimed school uniforms will be donated to the Used Uniform Sale. The uniform sale will be on Tuesday, May 24th from 7:30 until 10:00 in the gym. This sale is a CASH ONLY sale. Please contact Stephanie Barlovic at barlovic@bellsouth.net if you have any questions concerning the uniform sale.

Summer Skill Sharpener...We are often asked if there are any summer books available for students to reinforce what has been learned during the school year. This link <http://www.summerskills.com/> might be worth your time investigating. The books are rather affordable and the format is relatively easy to follow. Most of the books have around 35 lessons. This works out well for your student to refresh skills 3-4 times a week at 10-20 minutes per page for 10 weeks over the summer.

Summer Camps...Three summer camps will be offered at ICS. Look for the flyer in this week's newsletter.

Summer School Office Hours...The office hours for the school will be Monday –Thursday, 9:00 am—2:00 pm.

Supply Lists, Summer Reading and Math — We have created a link to a Drop Box Account for our supply lists, summer reading and math assignments. We will include reading and math hard copies when we send home grade cards next week.

Summer Math will be in the next newsletter.

Beta Fund Raiser for Dominican Sisters —The Beta students had a fundraiser for the Dominican Sisters. The Sisters were robbed of their electronics, so the Beta students hosted a jeans day, spray painted hair, and painted faces last Friday for field day.

The fundraiser was a huge success and over \$500 was raised! A big thank you to all who participated!

Summer Survival Tips

Maintaining Structure and Routines: Children thrive on structure. Although, children are unable to express this need in those terms they show us in their behavior or misbehavior. Parents usually see a change in children's behavior the first weeks after the end of the school year. It is difficult for children to go from the daily routine of school to just lying around at home. Children tend to create stimulation for themselves without structure and routine. Parents can help by doing a few simple things. Continuing regular mealtimes, play time or trips to the park. Take time for reading during the day and set up an area for arts and crafts in the house. Regular bed times are as important during the summer months as during the school year. When children have the external support that parents provide with a continued routine they are less likely to act impulsively and stay safe.

It's Used Uniform Sale Time!

The annual used uniform sale is here! Each year our Home and School Association runs this sale to benefit our families! Here's how it works:

1. Use inventory sheet to list your clothing items (Sent home last week)
 - We are unable to accept or resell clothing brands other than Parker.
 - We can only accept small and extra-small sweat shirts and pants.
2. Fill out one sale label for each item you're selling (Sent home last week)
3. Hang all clothing, except pants, shorts, and summer PE items, on hangers facing left and your sale label pinned to the upper right side of the item.
4. **Drop off** labeled items and inventory sheet (in plastic baggie) on **Monday, May 23 - 2:00 to 3:30 p.m. in the GYM.**
5. Shop for your family on **Tuesday, May 24 - 7:30 to 10:00 a.m. in the GYM.**
6. This is cash only sale.
7. Pick up your cash (from items sold) and unsold items on **Tuesday, May 24 - 2:00 to 4:00 p.m. in the GYM.**

Reminders

- Please make sure each resell item is correctly listed on the inventory sheet.
- Please check for missing buttons, stains, holes, (etc.). We are unable to sell damaged clothing.
- Remember to indicate at the bottom of the inventory sheet whether or not you want unsold items returned to you or donated to Home & School.

STEAMtastic Summer Fun

Step into the world of STEAM (Science, Technology, Engineering, Art, Math) and surround your young Einstein with endless possibilities! This camp will open their eyes to brand new ways of perceiving the world around them. Daily STEAM challenges will cultivate team work and higher level thinking. STEAMtastic campers will dive into Lego Robotics, Power Machines, Circuits and the dynamic world of coding! Your camper will have a blast exploring STEAM concepts with fun hands-on tools such as iPads and programmable floor robots. This camp will give them a glimpse into the inner workings of machines, electronics and technology used in their everyday lives! Take STEAM to the next level in this action-packed camp!

June 20—23 (1 pm—4 pm) Cost: \$150

Lego Master Builders

Dive into endless Lego possibilities! This one of a kind Lego camp will exercise your Lego Master Builder's innate gift for building. Tap into their genius with daily Lego challenges, guided free-build missions, Lego car speedway races and so much more! Campers will get up and move with our interactive team-driven, Lego-based games and competitions. Your child will explore their imagination when they engineer minifig zip lines, boats, cars, bridges and other action packed designs. Everything is AWESOME when you sign up today!

July 25-28 (9 am—11 am) Cost: \$121

D is for Dinosaur Dig

Beginning paleontologists learn about dinosaurs and the techniques used in extracting fossils in this hands-on class. Go on your own fossil dig, analyze and assemble skeleton pieces, produce a fossil reconstruction, create a mural, use iPads to learn more about dinosaurs... and take home lots of cool dinosaur daily projects!
